(Click the Tumblebooks icon in the middle of the page.)

## Further help is available!

You may want more information on file formats, other audiobooks, or research collections. Accessing and downloading titles is different for each device and each provider. Don't hesitate to set up a private tutoring session today!

*Rachel Malay, library director, is available usually between 10 am and 5 pm Monday – Friday, outside scheduled programs and meetings.*

*Andrea Weidenhaft, technology librarian, is available usually between 10 am and 5 pm Monday – Friday outside scheduled programs and meetings.*

## E-Readers and E-Books Quick Start Guide

### Library Cards

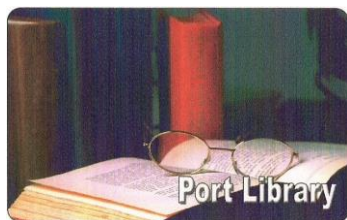

Depending on the e-book service you use, you will need either a Kansas Library Card or a Port Library Card.

#### Kansas Library Card

**PIN:** \_\_\_\_\_

**Birthday:** \_\_\_\_\_

#### Port Library Card

**Card Number:**

\_\_\_\_\_

**Password:**

\_\_\_\_\_

### E-Readers

E-Books are read on E-Readers. There are many manufacturers and models. Check the device(s) you own:

- Kindle with B&W screen
- Kindle Fire
- Nook, Kobo, or Sony with B&W screen
- Nook Color, Nook Tablet, or Sony with color screen
- iPad, iPod, or iPhone
- Windows or Android smartphone
- Other Windows or Android tablet
- Computer, Laptop, or Netbook

### E-Book Providers

The Port Library provides access for any device through up to nine different e-book providers. (Not all nine are listed here.) Not every

provider works with every device. For all providers, you will need either a Port Library or Kansas Library card. Check the provider(s) that work with your device(s).

- Sunflower eLibrary – all Kindles, all Nooks, all Sony devices, all smartphones, iphones, tablets, and computers.
- 3M Cloud – Kindle Fire, all Nooks, all Sony devices, all smartphones, iphones, tablets, and computers.
- Freading – Kindle Fire, all Nooks, all Sony devices, all smartphones, iphones, tablets, and computers.
- Enki - All Nooks, all Sony devices, all smartphones, iphones, tablets, and computers.
- Tumblebooks – (on web only) Kindle Fire, all Nooks, all Sony devices, all smartphones, iphones, tablets, and computers.
