Is it February already? Really? I could do with less icy weather as the spring approaches (apparently faster) than I realized.

The first week of 2016 I took my final vacation day of 2015 and we all made the effort to begin a new calendar. A patron used the Schafer Room on Friday briefly in the afternoon. In the second week, the North Central Kansas Flint Hills Area Agency on Aging (say that 3 times fast!) used the Schafer and Study rooms for meetings on January 13th.

Parents as Teachers used the library Thursday, January 21st in the morning for a meeting, and Jim Nelson came to put hanging hardware on the painting he donated the previous November. Our Classic Movie Night activity was cancelled as we closed early due to wintry weather. I took a vacation day on the 22nd to help out with the Beloit Invitational Wrestling Tournament.

Mary Lou started Story Port for the spring session on January 25th, and celebrated Kansas Day with activities throughout the week. I put up a 2015 Kansas Notable Books display by the end of the week. On the 30th the library had an Art Unveiling to dedicate the painting Jim Nelson donated – “Lady and Dog.” An estimated 40 people attended.

In February Mary Lou has begun a Lego creation contest all month long in the youth services department. I will attend a CLKS workshop in Ellsworth on makerspaces in libraries on February 4th. Our book-sale-room-turned-activity-room qualifies as a makerspace, so I hope to get more effective ideas on how to use the space. I have completed the CKLS System Incentive Grant for 2016, and am still working on the State Aid Grant, due February 10th. The rotating book van visits on Tuesday the 9th, and the library will be closed the 15th for President’s Day. Mary Lou is planning an Alice in Wonderland themed tea party February 20th. I will have a workshop/seminar on ebooks in the Schafer Room February 25th. Mary Lou’s youth services summer library program workshop is in Great Bend March 1st.
Summary of Policy Changes – February 2016

A complete list with exact wording of these policy changes can be found in the official notebook.

• Where possible, applicable K.S.A. numbers have been noted in policy.

Personnel Policy:

• A clarification was made between permanent and temporary library employees.
• Under staff conduct, language was added that states that library employees are expected to be familiar with present library technology in order to aid patrons effectively.
• Language was clarified to state that employees were responsible for keeping their own records of time worked on an individual library time sheet, and sign the time sheets by the end of the pay period.
• Vacation, sick leave, and paid holidays shall apply to all permanent employees.
• A clarification was made to the hours paid for librarians attending workshops. Also, that the library would pay for expenses for employees to attend KLA. Reimbursements for attending other regional, state, and national conferences will be at the approval of the board.

Trustee Policy:

• Language was changed to allow the library to pay bills immediately, as they are received.
• A quorum is five board members.
• The Chairman and Secretary are authorized check signers. (Not the Treasurer.)
• The default System Board Voting Representative is the library board chairman, unless otherwise designated on a yearly basis.
• Addition of GAAP Waiver and Immediate Payment of Bills Waiver as appendixes.

Service Policy

• Added a section on the procedure for expelling patrons from the building, and that there could be an appeal process.
• Added language specifically prohibiting pornography viewing on library computers.

Dane G. Hansen Foundation
PO Box 187
Logan, KS 67646

Dear Sirs,

The Port Library received assistance from the Dane G. Hansen Foundation in the form of a Community Impact Fund grant through the Solomon Valley Community Foundation last year. We used the funds to furnish our community and activity room with a refrigerator and blinds for the windows.

The refrigerator was installed in time for us to use it for the summer library programs last year, and the kids very much appreciated cold drinks right at hand. Later in the fall a few civic organizations used the room to meet and we were able to store their snacks. The library has used the refrigerator as well to store drinks for our bi-monthly classic movie series.

The blinds have come in useful as well, helping to darken the room for presentations and other shows with our projector. Also, they help to soften the “hard edges” of our multi-purpose room, making the whole space more inviting.

The grant was a wonderful opportunity and the local community has immediately and directly benefitted. Thank you!

Sincerely and on behalf of the Port Library Board of Trustees,

Rachel Malay
Port Library Director
Immediate Payment of Bills Waiver
