

Dear (Daycare Provider),

Thanks for signing up for the 20-- session of Traveling Story Time! Every week I will be reading a story to your day care kids and then doing a short activity. The sessions should last between 20-30 minutes.

This week's selection of books checked out to you from the ABC Library is printed below or attached. If there is any subject or author you object to, please let me know so I can omit them from further selections. Your library books are due 4 weeks from my visit. You may return part or all of the books at my next visit, but I will be picking up all books by the last session.

Thanks for your patronage of your local library!

Librarian  
Children's Department, ABC Library
